

# MAINE GENEALOGICAL SOCIETY PUBLICATIONS

The Maine Genealogical Society began a program of transcribing town vital records and other books of value for Maine genealogical research in 1985. **Books are hardcover unless noted.** The Retail price is the retail price from the publisher, and MGS offers a membership benefit of a discount while our supply lasts.

**Books through #70 are sold only to MGS members, per our contract with our former publisher.**

**In 2015 beginning with Publication #71,** we began self-publishing with less overhead and being able to set our own lower prices and able to reprint as needed. We also sell these NEW books at retail to non-members.
